**Subject:** ACCIDENT INVOLVING SLH9471E & GBG466D ON 03.01.2018

Dear Sir,

Please note that our vehicle SLH9471E was turning from Bukit Timah Road to Dunearn Road. Our vehicle was in the 2nd lane and GBG466D was on the first lane. When our vehicle was turning GBG466D came and hit our vehicle from behind. Our vehicle immediately stopped. But GBG466D reversed back immediately, at that time its review mirror broke.

Our Vehicle sustained minor scratches at behind side. The driver of GBG466D approached our driver and told him not to make any complaint and he said that he will repair our car and give. Since the scratches was very minor we just let the matter go. We were really surprised when we came to know that he went and made a complaint against us.

Vehicle GBG466D came and hit our car from behind, it is not our fault at all.

Thank you.
