**Brief Details.**

On 05/01/2018 at about 1350hrs, I was travelling along CTE towards SLE. Suddenly, the vehicle in front of me namely GBD4877R jam-braked his lorry and I managed to jam-brake in time and did not knock onto him. However, The van behind of me namely GBE5883K could not jam-brake in time thus collided onto my rear and pushed me forward. There was a van behind GBE5883K namely GBD6866J collided onto GBE5883K. Soon after, TP and Ambulance arrived and I was conveyed to Tan Tock Seng Hospital as I was having chest pain.

I wish to state that I do not have in-car camera inside my lorry.
