Hi Cynthia, We refer to the above matter. TP reported that he was collided by an unknown vehicle impact cause his vehicle lost control and swerved to the road shoulder on the left. OI reported that he was traveling along the extreme left lane, TP come from the right and collided into his vehicle front right portion. Third party video uploaded for your perusal. We are of the opinion that liability is not in third party's favour as he lost control and swerved into insured path. In view of the above, we are intending to reject TP claim. For your approval/ comments/ instruction. Thank You.
