**Brief Details.**

On 02/01/2017 at about 1630 I had parked my vehicle at the car park of blk 981C. Everything was still intact at this point in time.

At about 1730hrs, my wife and I decided to head back to our vehicle. It was when we head back to our vehicle at the same placed we parked that we realized that there was a scratches on the front right side of my bumper. I examined the damage and saw that there was some white paint stain found. I also realized that the vehicle which was parked beside my vehicle was white. I quickly made a check with my in-vehicle camera.

At about 1653hrs, my camera captured the same white vehicle parking beside my vehicle. In the footage, it showed that the vehicle was very close. As such, we suspect that when the white vehicle was going to park at the lot beside us, they happened to collide with my front bumper.

As such, we decided to come Hougang NPC to lodge a traffic report. I would also like to inform that at this point in time, we are unable to estimate the cost of damage. I would also like to inform that the vehicle beside, the license plate was similar SKU7666J.
