Dear Ms Vivian Lau,

I received your accident notification on 25.1.2018.

As requested, I attached 5 additional photos. I will send the 4 earlier ones in the second email as the file is too large.

I was driving out from Sims Avenue roadside parking lot No 241 and turning into Geylang Lorong 35 ( about 20 metre from parking lot ) toward my home at 133 Jalan Seaview via Geylang Lorong 35, Geylang Road and Mountbatten Road, after viewing my new maid biodata at Success Manpower Employment Agency, 520 Sim Avenue.

There was no reason for me to go straight toward Geylang Serai Road

The taxi overtook my car from lane 2 ( which is straight ahead traffic flow, see sign on road ) on the left even though I had switched on the right signal light.

I will repair the damage of my car at my own expense as it only cost @ \$ 220.00 which is much cheaper than paying damage excess of \$ 600.00

The damage to the taxi was only my car paint work sticking to the left lower corner of the taxi mudguard.

Appreciate if your firm/AXA Insurance Pte Ltd will be able to prove negligent of the the third party who was in a hurry to turn into Geylang Lorong 35 with 1 passenger.

Regards

Hong Kim Pong
