Dear Veron

We refer to the above TP claim which our surveyor has surveyed the vehicle.

Our insured has informed us there is inconsistency in the TP damages especially damages on the lower part of the TP front bumper. Please ask surveyor to check on consistency as our insured driver is of the view when he was reversing he could not have hit the lower bumper of the TP vehicle.

We appreciate your surveyor views on the TP damages as TP has submitted a claim of \$5,600.00 for repair cost.

Thanks

Best Regards

dear christina

Our insured had sent the letter from Vision Law dated 26/02/2018, which I believe you had a set of the document. Our Insured's driver advised that the damage to the 3<sup>rd</sup> party vehicle is not consistent to the damage to their own vehicle.

Unfortunately, he did not have the picture taken at scene of accident.

Pls do update on the outcome of the event... !
