No. of Days granted Medical Leave	03	Degree of Injury	Slight

Brief Details.

On 11/1/2018 at about 0850 hrs, I was driving my taxi with one passenger with his 5 year old daughter on his lap on board along KPE towards ECP. I was stationery in my taxi before the tunnel as the traffic is heavy. While stationery, I heard a loud bang sound coming from the rear of taxi.

I then discovered that vehicle SKT9903A front portion collided with the rear portion of my taxi. Nobody was conveyed to the hospital. No traffic police came. Due to the accident, the rear portion of my taxi was damaged. We then exchanged particulars and took photos and left.

Shortly after, my passenger and I felt discomfort and went to seek medical treatment and was given 3 days of MC respectively.

My passenger was also presence together with me while lodging this report.
