Dear Ms Gwen,

We refer to the below email.

Please be informed that we have tried to negotiate with third party for cost of repair and the final and adjusted amount of repair cost is **\$4,627.45** (all-in), loss of use with 6 working days for repair and we here proceed to settle and close the matter at our end in order to avoid the further escalation.

Kindly take note that the settlements are on a without prejudice basis and there is no admission of liability and any settlement should not bind any claims whatsoever by you/your driver against the other party's insurer arising from this particular accident.

Please note that your No-Claim Discount (NCD) (if any) will be affected and reduced by 30% (20% for commercial vehicles) upon next renewal due to this Third Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.

Please call us if you have further queries.

Yours faithfully,

Best Regards,
