Dear Caroline,

Please try to use the scene photos as evidence.

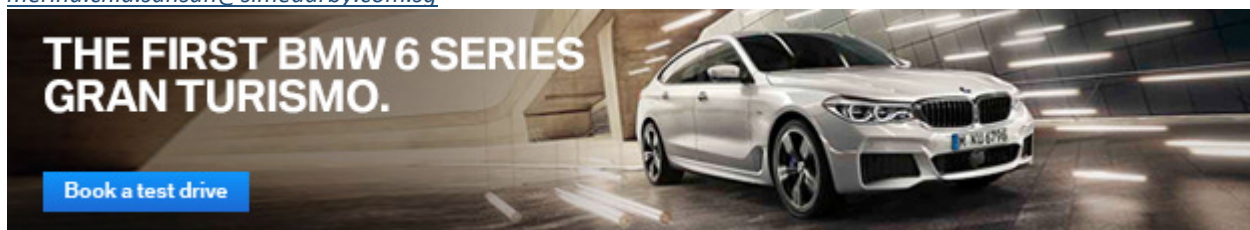

Based on the scene photo, my customer car is in the queue and no way for my customer car to cut in. Plus side of the third party car is a pillar wall, obviously is the third party trying to cut in the lane and hit onto my customer car.

Thank you

Regards,

Merina Chia

WITHOUT PREJUDICE

Dear Caroline,

We refer to your below email.

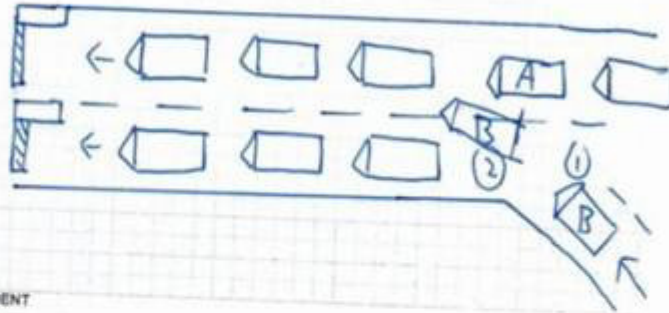

We are of the opinion that this is a case of **conflicting versions**. There is no conclusive evidence yet to substantiate either party's version. Please find below our insured's accident statement for your perusal.

We are in a course of investigating into the circumstances of the accident. After verifying further with our OI we will revert with our opinion on the cause of the accident. Kindly do not refer to any party for legal assistance until you heard further from us.

Meanwhile, kindly forward to us with **any evidence** (if any) your client have to support your claim.

Thank you.

SKETCH PLAN

DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

We were both exiting the carpark of the MBS Southern Carpark. There were 2 gentry exits and I was in my lane. The car (BMW SLR 79868) veered close into my lane. Both cars were moving forward to exit. As our cars were both on a carpark hump, the front bumper of my car grazed the side of the other car which was in my lane.

I was asked to sign a written note that we had a collision but this is not written indication or admission of liability.

DECLARATION

I/We declare the foregoing particulars are true in every respect.

Please note that you have 14 calendar days to revert and file the claim under your own policy. Failing to do so, your insurance company will not allow nor accept the claim.
