**Brief Details.**

On 16/1/2018, at about 7.30am, I was pushing a trolley along Seng Poh Road when I saw a van (GY1108C) trying to get out of a parallel parking lot. In the process of getting out, he hit the rear of a parked car (SGM2628A) in front of the van 3 times. After which, the driver of the said van was able to get out. I told the driver to park the van and wait while I called the friend of the owner of the said car. He denied that that he hit other vehicles and told us to call for the police.

I was requested by the car owner to lodge a witness report for his insurance claim.
