Dear Shiang Yi,

Happy new year.

I have provided the documents as requested.

You can access them via the google drive link here, https://drive.google.com/open?id=170OL00RRo-PiDmylnMCMBxgL_xgYyKnJ

The documents requested are in the "Documents folder"

1. Police report is labeled as "Police report T201707182186.pdf"
2. Quotation for the new bicycle cost is labeled as "damage assessment.pdf"
3. I have scanned the Medical expense and medical report together and labeled it as "A&E invoice and MC.pdf"
4. Traffic Police (TP) statement is labelled as "TP statement.pdf"

The damaged photographs are in the "M10s accident folder", I have labelled each photograph with the corresponding issue.

The witnesses will provide the statement to the officer in charge of my case in person. Will you be providing the person who will be officially recording the witness statement? If there is an official representative, we can visit the witnesses in person and collect the evidence. Otherwise, we have the TP statement as evidence of the liability of the driver.

I have also included my transport claim to the A&E.

I look forward to hearing from you if I need to provide any more documentation.

Yours sincerely,

Denny Ng

Brief Details.

On the abovementioned date, time and location, while cycling past Heritage View condo, a car, SJL1016S, which was turning into the condo, along Dover Rise, hit onto my bicycle's rear right wheel. I fell onto the grass patch and subsequently got up and approached the driver. He informed that he didn't notice me and if I am all right. He also told me to contact him if I need any further assistance. He left as I do not need assistance at that point of time.

My bicycle rear wheel and the belt chain is damaged. The front right bumper of the car is also damaged. I just have some minor bruises on my arms and so far, may consider treatment if necessary.
