**IMPORTANT NOTICE**

1. Please report **correctly** the details of the accident to speed up the claims process.
2. This Form must be **completed by the Policyholder and/or the Authorised Driver**.
3. Information provided must be as **truthful and accurate as possible**. Any wilful misrepresentation or withholding of material facts may allow insurance companies to **repudiate policy liability**.
4. The issue and acceptance of this Form by insurance companies is not an admission of policy liability on the part of the insurance companies.
5. **Any false reporting may be referred to the Police for investigation.**
6. The report will be forwarded by the insurers of the GIA Records Management Centre established by the General Insurance Association of Singapore (GIA) for archiving and that copies of this report will for a fee be made available upon application by interested parties.
7. By the lodgment of this report to the insurers, you hereby consent to the archiving of this report at the centre and to copies of the report being made available aforesaid.
8. **Consent under the Personal Data Protection Act (PDPA)**

I understand, acknowledge, agree and consent that:

- (a) My insurer, my workshop and the General Insurance Association of Singapore ("GIA") may/are permitted to collect, use, disclose and/or process my personal data/personal information set out in this (form) and any other personal information provided by me or possessed by my insurer (collectively the "Personal Information") and disclose and transfer such Personal Information to all Insurer(s) who have insured vehicle(s) involved in this accident (all insurer(s) who have insured vehicle(s) involved in this accident shall be collectively referred to as the "Insurers"), the Insurers' lawyers/law firms, the Monetary Authority of Singapore and any relevant government agency/authority (such as the police), for the purpose(s) of:
  - (i) processing, handling and/or dealing with my claims including the settlement of the claims and any necessary investigations relating to the claims;
  - (ii) investigating the accident and/or my claims;
  - (iii) carrying out and/or dealing with my instructions or responding to any enquiries by me;
  - (iv) administering my claims (including the mailing of correspondence, statements, invoices, reports or notices to me... which could involve disclosure of certain personal data about me to bring about delivery of the same as well as on the external cover of envelopes/mail packages); and/or
  - (v) complying with applicable law in administering, processing, handling and/or dealing with my claims (collectively the "Purposes")
- (b) all insurer(s) who have insured vehicle(s) involved in this accident and the Insurers' lawyers/law firms, may/are permitted to collect, use, disclose and/or process my Personal Information for one or more of the above Purposes; and
- (c) my Personal Information may/can be disclosed by any of the Insurers and/or GIA to their third party service providers or agents (including their lawyers/law firms), which may be sited outside of Singapore, for one or more of the above Purposes.
- (d) my Personal Information will also be collected and used to compile claims history for the purpose of fraud detection, investigation and management in present and all future claims.
- (e) the information so collected under (d) above may be shared / disclosed:
  - (i) to all insurers and/or any other third parties that assist in evaluating, investigating, controlling or managing fraud, regulators, law enforcement and government agencies as reasonably required for the purposes stated, or
  - (ii) for complying with requirements under any regulations, laws or court orders.

Sketch Plan Pg. 3

of 15/11

I was travelling along PIE near Police Academy on 13 Jan/18 at about 10.45pm when the accident happened.

I was travelling on the 1<sup>st</sup> lane when I saw a vehicle <sup>that seem to</sup> ~~there was~~ <sup>the</sup> hazard light on. <sup>at that time</sup> However, I switched to lane 2 to avoid <sup>the</sup> ~~proceed~~ <sup>with my journey</sup> as I passed by vehicle 5 of about 100m, I can feel that there ~~was~~ <sup>is</sup> debris on the road. I also saw vehicle (SKR 4491P) stationary in lane 3. At the same time ~~at~~ <sup>while</sup> I saw a large debris lying in lane 2 where I was travelling. I tried to <sup>avoid</sup> ~~avoid~~ the debris and kept slightly to the right. However, I <sup>hit</sup> ~~hit~~ the <sup>large</sup> ~~large~~ debris & the debris on the road <sup>prevented</sup> ~~prevented~~ my my vehicle from <sup>skidding</sup> ~~skidding~~ in time & hence <sup>crashed</sup> ~~crashed~~ into SGV 6191T that was facing against the traffic. The contact was minimal for I <sup>did not</sup> ~~did not~~ <sup>injure</sup> ~~injure~~.

In a few seconds, vehicle STW 1271M that was behind my vehicle came crashing to the right hand side of my car. The damage <sup>was</sup> ~~was~~ to both front door & side door & the right front wheel.

There are no injury reported in this accident because there is no police report as advised by the police on the spot.

I was travelling along PIE near the Old Police Academy on 13 Jan '18 at about 10.45pm when the accident happened. My vehicle is SLK 2714P (Vehicle 2).

I was travelling on lane 1 when I saw SDR 1963L (vehicle 5) ~~brake seems to be stationary but the hazard light was not switched on.~~ ~~seems to be stationary but the hazard light was not switched on.~~ <sup>off</sup>

Hence I switched to lane 2 to proceed with my journey. <sup>off</sup>

As I passed by vehicle 5 + slowing down, I ~~can~~ <sup>can</sup> feel that there were debris scattered along the road. At the same time

I also saw <sup>more</sup> SKR 4441P (vehicle 4), stationary in lane 3 + a large debris lying <sub>n</sub> to the left of lane 2. I braked + try to avoid the

large debris by moving slightly to the right. I think vehicle SJW 1271M (vehicle 3) was behind me. As I moved to avoid the debris, <sup>I saw</sup> there <sup>was</sup> a dark coloured vehicle SGT 6191T (vehicle 1) with no head lights on facing the occupying between lane 1 + 2 + facing against the traffic. The contact was not so serious as I was already applying brake and I think the debris on the road increases my braking distance.

In a few seconds, vehicle SJW 1271M (vehicle 3) came crashing to the right hand side of my vehicle (vehicle 2). The damage were to both side doors + the right front wheel.

Police was on the spot, + after checking all affected vehicles, + confirmed no physical injuries, we were told to claim against our insurance company + no police report was needed.
