Dear Vic

I am very disappointed why this case has been dragging for so long and yet no conclusion.

Our client is very angry over the delay and he even call AXA personally this afternoon. He mentioned that he was stationary with hazard light ON and it was your insured that had had cut abruptly into his lane to alight his passenger. We attached our damage for your perusal.

Please revert urgently.

Circumstances of Accident

On the 09.01.2018 at about 1640 hours, I am heading straight towards Upper Cross Street OG Taxi Stand to alight my passenger. I slowly approached the taxi stand with signalled left and checked out for oncoming vehicles. Suddenly Vehicle B which was on my left side swerved into my lane. I alighted to check and realized that Vehicle B (EB6868D) front right side portion had hit onto my taxi left rear side portion.
