Importance: High

Hi Vivian,

We concur with your view.

As per the video footage, it is clear that TP had signal 'left' showing his intention that he is making a lane change to the left and while lane changing to the left, TP suddenly swerved to the right and collided onto insured who is travelling within his lane.

In view of the above said, we are of the view that bola S15 is applicable.

Please proceed to reject claim.

Thank you.

Warmest Regards,

KC Chan
