### WITHOUT PREJUDICE

Dear Jason,

We refer to the subject.

Our insured reiterated that the accident was due to the entire negligence of your client by cutting lane.

We have reviewed the matter and based on our insured's damage profile, grazed marks were observed to its left front portion which suggest that your client cut into our insured's lane.

As such, we have our principal's instruction to deny liability.

Should you have evidence to provide kindly send us a copy for our principal's review and consideration.

Thank you.

Best Regards,
