**Brief Details.**

On 23/01/2018 at about 2015hrs, I sent my son to the Lifeline Medical clinic near Blk 508 Bishan Street 11 as he was not feeling well. As such, I parked my car SJS2923E (Mercedes Benz, black) at the open carpark of Blk 508 Bishan Street 11, at lot number 31. After which, my son proceed to the clinic while I proceed for marketing at the nearby NTUC

At about 2100hrs when I returned back to my car to put the groceries, one Mr Ng 94527175 approached me. He informed that he has just witnessed a Hit-and-Run on my car. He told me that he was nearby the area eating and heard a banging sound. As such, he make a check and observed one white car was leaving the place. He showed me his in-car camera however it did not show the accident however only managed to capture the white car plate number SKS6225Z. He also added that while the white car was leaving the area, it mounted the kerb as well. I make a check on my car and then discovered the dents. I make a check on my car however no note was left behind by the driver involved.

My car suffered dents and scratches on the front-right bumper area, front-right side of car and front lower-light cover dropped off. The estimated repair cost is unknown. I will inform my insurance company shortly and sent my car for repair as well. I am lodging the report as my car has been hit-and-run.
