Dear Denise,

My boss do not agree. We appointed LKK as SJE. COR and repair days was agreed before your surveyor left.

Your surveyor did not clear and submit necessary documentation before leaving LKK. Now another took over and just based on pictures without onsite survey wanted to change agreed repair days?

That is very unfair to workshop due to your internal adjustment.

Out of goodwill to settle this matter soonest, the least we will agree is 16days.

Thank you

**Brief Details.**

On 20/01/2018 at about 1218hrs, I was driving along Brickland Road towards Bukit Batok, I was involved in an accident with a vehicle from the opposite lane heading towards Sungei Tengah.

While driving at the 3rd lane, the traffic light was green. Halfway through the traffic, the said vehicle turned right and collided onto the front portion of my vehicle. Due to the huge impact, my vehicle swerved to the left and collided onto a lamppost.

My daughter who was sitting at the rear was conveyed by the ambulance. All the passengers including myself sought treatments in NUH. One of my passenger, Benson sustained a hairline crack on his right palm.

I do not have any vehicle camera in my car.

After the incident, the driver contacted my sister who is one of the passenger. He apologized and admitted his fault that caused the accident.
