Dear Bernard,

ACCIDENT INVOLVING VEHICLES SKA 8399L (OI) AND SLS 7527J (TP) ON 17/01/2018

We refer to the above matter.

TP reported that he was rear-ended by Insured vehicle.

However, our Insured reported and insisted that there was no collision between both vehicles during our telephone conversation.

As such, we had requested and TP had furnished us a copy of their client's video footage as attached.

Kindly advise as Insured had strongly denied any liability and doesn't want to settle the claim if any and TP also may take further action if no settlement will be reached.

Thank you.

Best Regards,
