**Brief Details.**

On 27/01/2018 at about 1120hrs, I was driving Newton Road, entering Newton Circus. I was at the second lane of the Newton Circus when a White Porche car in front of me made a left turn cut through the taxi which was at the left outermost lane. The car wanted to exit to the Keng Lee Road. As such the taxi and I did an emergency brake to prevent an accident occur. However when I did the emergency brake, the bus SBS3401H unable to brake on time. Therefore the bus hit onto my rear left side bumper which causes the bumper to slightly dislodged and the tail light had came off. However my family members weren't injured but there were someone injured in the bus. The bus driver called for the police and the passengers were conveyed to the hospital. There were a total of 2 ambulance came to the scene and traffic police were at scene.
