Dear Sirs/Madam,

ACCIDENT INVOLVING SLQ 2940S(OI) & SKH 469J(TP) ON 29/01/2018

We refer to the above matter.

Third party reported that he was stationary to wait for traffic light to turn green. After a while, he felt an impact from behind. Third party driver alighted from his car and saw OID was trying to squeeze in from his right.

OID reported that he was on the 1st lane queuing to proceed right turn from AMK Ave 5 towards AMK Ave 10. Suddenly third party filtered into his lane and collided onto his front left portion.

Based on OI's video footage, third party cut into the right lane where OID was travelling with right of way.

In view of this, we are intending to reject third party claim based on BOLA scenario 15.

For your approval/comments/instruction.

Best Regards,
