Dear Angie,

**ACCIDENT INVOLVING SLG 9234D (Insured) & SHD 9320B ( Third Party) ON 27/01/2018 ALONG TANJONG KATONG RD**

We refer to the above matter

The third party reported that he was travelling straight on the extreme left lane, suddenly OI drove out from the Shell petrol and collided on TP right side portion.

Insured reported that he was travelling along Thiam Swee turning right. OI passed stationary TP , suddenly TP turn into OI's lane and collided onto OI's left portion.

Based on the circumstances of both parties and available information in hand. Based on OI's video ( upload via merimen) TP moved off from stationary and swerved into OI's lane.

As such, we intend to reject the claim.

Kindly advice on your view/opinion/instruction for this claim.

Thank you

Best Regards,

**Vivian Lau** | Case Handler
