Dear Sir / Madam,

We refer to the above matter.

Please be informed that we are currently **pending AXA's instruction for direct settlement.**

Attached here with our insured's sketch plan and statement for your perusal.

SKETCH PLAN

DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

Accident Date & Time: 30/01/2018 845am
Accident Location: Along Canberra Drive outside Yishun Sapphire Condo
As per police report

Brief Details.

On 30/01/2018 at 0845hrs along Canberra Drive outside Yishun Sapphire Condominium, while I was driving my company lorry on the left lane of a two lane road when suddenly, a car (SFE2231P, Nissan Forester) drove out of the said condominium exit abruptly. The said mentioned car hit onto my company lorry's left passenger door while I was driving my lorry, hence I stopped my vehicle along the road after the condominium exit.

The said car was moving so fast that after it hit my lorry, the said car moved straight across the road divider and crashing into a construction site barrier fence. Ambulance attended to us, and conveyed the said car driver. My lorry had 3 Bangladeshi passengers at that point of time and they did not sustain any injuries. The said car involved had two passengers, which I believe is the car driver's husband and daughter. My company lorry sustained a seriously damaged left passenger door and area. No government properties involved. Police attended to us: F/20180130/0088.

Please provide us evidence to support your claim if any.

Kindly note that for liability, claim negotiation and settlement, please contact Asher at 6841 6051.
