Brief Details.

On 01/02/2016 at about 10:30 hrs, I was driving my lorry no. XD6830E along Jurong Town Hall rd and going towards Clementi. When I was driving at the junction of the road when suddenly an accident happened ahead. As soon as I saw the accident, I was travelling in front of my lorry, I braked to avoid hitting onto the vehicle in front. I quickly stopped on the drive but as it happened so quickly I did not have enough time to stop and the front of my lorry slightly hit onto the rear of the lorry ahead causing some minor damages to both the vehicles. My car was injured and the traffic police advised me to lodge a traffic accident report.

Additional facts

I further wish to state that when the lorry no. XD6830E which was travelling in front of my lorry braked, both its rear brake lights did not light up and were not working.
