Brief details.

I was driving a commercially rented car (SJD4691P) along PIE towards Changi Airport on the first lane, at about 15.20 hours, 10 Jan 2018. Nearing exit 20B, the car in front of me (SGV156K) jammed brakes and came to a stop behind a stationary ambulance. I applied my brakes as well and stopped in time without colliding into the car in front of me. However the driver in front of me alighted and requested for my NRIC citing that we should not hold up traffic. He seemed to be implying that I have knocked into his car. To not hold up the traffic, we provided each other with our NRIC details and contact numbers.

CONTINUATION OF REPORT

Report No. J/20180111/7000

The attached photos show that the distance between our cars immediately upon alighting the car and exchanging particulars; neither of us have shifted our cars once they have come to a stop. These photos show that there is zero contact between the cars when both cars came to a stop and thus I truly believe that it is impossible that I have knocked into the rear of SGV156K or caused any damages to the car.

The car behind me(SDJ5162H) also stopped in time and there was no collision with my car.

1st Reminder

Dear Sir /Madam,

Tribeca
Accident on 10-01-2018 involving SJD4691P & SGV156K ALONG PIE NEAR LORNIE ROAD

We refer to the above matter and our letter of 05-Feb-2018 requesting you to report the accident.

We have checked our records and we are still unable to trace your reporting of the accident to our office. For the purpose of assessing the claim lodged by the third party, we would require a report of the accident together with original/coloured photographs showing the damages to your vehicle (if any) from you or your driver at the material time of accident. Please refer to the back/folder accompanying your Certificate of Insurance for the list of our EQ Authorized Workshops conveniently located throughout Singapore to report the accident. Alternatively, you may wish to call our 24-hour accident hotline at 6333 2222 to file the accident report. **Please report the accident within the next 07 days from the date of this letter.**

We are under strict obligations to inform the Traffic Police of the non-reporting if we do not hear from you. The Traffic Police may thereafter contact you and/or your driver to attend at their office to make a statement or they may commence investigations into the matter. We hope this would not be necessary and it would only further inconvenience you as well as the driver.

Moreover, the owner of SGV156K has submitted a claim against you and we are unable to revert on their claim as a result of your non-reporting of the above accident. If we fail to hear from you within 14 days from the date of this letter, we shall assume that indemnification under the Policy is not sought, and we shall refer the third party claim to you for your direct handling.

We look forward to hearing from you soonest.

Yours faithfully,

Francis Ng
