Dear Vic

1. Your insured's statement confirmed he stopped at the road side and wanted to move off.
 2. Our taxi was going straight at the left side and it is illogical for him to swerve right as indicated in your insured's sketch plan, since there were some vehicles parked along the roadside.
 3. Attached video shows your insured moved out from road side and collided with going straight taxi.
- Please note that the video footage is solely for investigation and shall not be reproduced. You undertake to preserve its confidentiality and will not disclose, provide or make available the video footage in whole or in part, to any third party.
