Bola 24(C) mentioned parking lot but never mentioned exiting from MSCP.

Moreover, we are traveling on main road therefore this bola does not apply.

Please re-study/re-asses this claim and revert,thanks.

Hi Thin Thin,

Please refer to the photos and video attached.

Our customer has his right of way from the carpark without any stop-line.

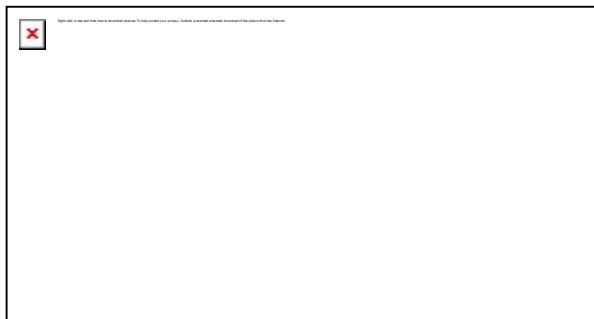

The road our customer was traveling on was designated for the drivers exiting the car-park.

However, your insured went against the traffic into my customer's path, obviously trying to make a short-cut to exit the carpark, which resulted in this accident.

I hope to attain 100% in our favour.

LOD will follow soon.

Thank you.
