Dear Shawn,

ACCIDENT ON 02/02/2018 INVOLVING VEHICLES GBD 1246G AND SKB 5113J

We refer to the below matter.

Third Party reported that he was exiting out from MSCP and collided with our insured vehicle which was travelling along the drive way. Please see attached TP's statement.

Our Insured reported that he was driving along the drive way and TP exiting out from MSCP and collided onto his vehicle. Please see attached OI's statement.

We did call OI to verify the nature of accident. OI disputed on the liability and he mention that he was travelling straight and TP coming out from MSCP and collided onto his vehicle.

We have reviewed both reports. Basing on available information, scenario from all involving parties, we are of the opinion that our insured is not liable for the accident as traffic on main road has precedence and vehicle approaching main road should exercise greater caution.

As such, we intend to reject the claim and kindly let us have your instruction / comments / approval please.

Hi Thin Thin,

Please refer to the photos and video attached.

Our customer has his right of way from the carpark without any stop-line.

The road our customer was traveling on was designated for the drivers exiting the car-park.

However, your insured went against the traffic into my customer's path, obviously trying to make a short-cut to exit the carpark, which resulted in this accident.

I hope to attain 100% in our favour.

LOD will follow soon.

Thank you.
