Brief Details.

On 05/02/2018, at about 9.20pm, I was in my car (SBZ 128E) travelling along Middle Road in the direction of Selegie Road. There were 2 motorcycles in the same direction on my right. The traffic light was green and the road was clear in front of me. I was approaching the junction of (Middle Road/Victoria Road) at about 30km/h. Suddenly, I saw one of the motorcycles (JPY 5800) moving/sliding towards my car on the right. I tried to avoid it by turning my vehicle to the left and applied brake. But the said motorcycle still collided with the front right edge of my car. I came out of the car and found the motorcyclist on the ground and he had minor cuts on his arms. An ambulance came and conveyed the motorcyclist to the hospital.
