**Brief Details.**

On 05/02/2018 at about 0845hrs, I was driving my taxi along Bartley Road in lane 2 towards Paya Lebar Road. At that point of time, after How Sun Drive, my taxi was moving straight slowly as the traffic was heavy. As I was driving, suddenly I felt an impact from the rear. I made a check and discovered the said BMW car had hit the rear of my taxi. I took photos of the scene and damages and took down the particulars of the BMW driver. I also checked with my passenger who informed that she did not require medical attention at that point of time. Subsequently both parties left the scene. After the accident, I felt some pain at the back of my neck, my back and shoulders so I went to the clinic. I was given four days medical leave. The rear left side of my vehicle was damaged due to the collision. There is no camera in my taxi.
