Brief Details.

On 5/2/2018 at about 6pm, I was travelling along Upper East Coast Road. I was on the right lane and wanted to make a right turn to a restaurant called "Hua Yu Wee". I slowed down and signal right and waited for the oncoming cars on the opposite road to clear before I perform the right turn. A car (SLM2207Y) collided with me from the rear.

I then alighted to make a check on the collision. No one was injured. No Police or Ambulance attended to the accident. My car suffered damaged on the left rear. The impact also caused damaged to the left rear tire that I have to towed the car away. The vehicle (SLM2207Y) also suffered damage on the right side and also the tire that cause the vehicle to be towed away also.

I wish to state that I have In built camera in my car and footages from both the front and rear of my vehicle. I also wish to state that I went to the clinic after the accident and I was issued with 7 days (5/2/2018 - 11/2/2018) Medical Certificate from A Life Clinic Pte Ltd. I suffered pain on at my neck and my back.
