Brief Details.

On the above mentioned date, time and place, I was travelling at the middle lane along telok blangah road towards west coast highway. I saw the motorcycle (FBA1244C) which was travelling behind my car on the right lane and there was some distance away from my vehicle. I then slowed down, signaled right and slowly changed lane to the right lane. I then felt a bump at the right side of my vehicle and realized that I have knocked onto the said motorcycle. My vehicle was only slightly towards the right lane as I have not fully changed lane yet. The traffic was moderate and the road was dry. I was attended by traffic police officers. The ambulance also came and conveyed the rider to the hospital but I can observe that he was fine.
