**Brief Details.**

On 31/01/2018 at about 2100 hrs, at service road off Choa Chu Kang Ave 1, I was driving the company lorry, YN4242Y and was trying to find a parking space for the company lorry. At the point of time, the lighting of the car park was dim and I was unable to see the surrounding very clearly. I then spotted one empty parking lot next to a mini bus, PA8483S. I tried to park the company lorry there but soon realized that the lot is not suitable for the company lorry.

I then move out of the parking lot and park the company lorry further in front. I did not notice anything amiss when I was trying to park the company lorry or move out of the parking lot. I also did not find any damage to the company lorry. Subsequently the company management informed me that it received a letter from Traffic Police, reference: TP/IP/09129/2018, regarding a hit and run report. I was then instructed by the company management to lodge a traffic accident report at the nearest police post. The company lorry was not equip with any onboard CCTV.
