Brief Details.

On 5/2/2018 at about 11.45am, I was driving (SJR1202P) travelling along Woodlands Road when a Army truck collided with me just before the left turn to Jalan Gali Batur. I was travelling on second lane and the Army truck was travelling on the third lane. The third lane is for vehicle filtering to the left.

When the Army truck (21226MID) collided with me from the rear side, I alighted to make a check on the collision. My car sustained scratches and dent on the left rear side of the vehicle. I am not sure if the Army truck sustained any damages. No police or ambulance attended to the accident. No one was injured.

I wish to state that I do not have any in car camera inside my vehicle. I also wish to state that it was a heavy traffic.
