Dear Ivy,

The video showed OI indicated a signal and was within lane when TP collided from the rear. The safety distance rule should be observed.

We take note of your opinion, please advise if we will proceed to offer as per your assessment.

Thank you.

Dear Ivy,

We refer to the subject of this e-mail.

We received video from TP and basing on the video, we are of the opinion that scenario showed a front-to-rear collision (Bola 27) where OI is the vehicle in-front.

As such, we believed that TP failed to maintain its proper safety distance causing the accident.

In view of this, we seek your approval to deny liability.

Kindly let us have your opinion and instruction on this claim.

Thank you.
