Dear Sir,

My colleague is currently investigating into a case of Rash Act involving a motorcar reference D/20180111/0006. Apparently, the car was being tampered with but repaired. The mechanic has commented that the ABS Sensor/Wire was cut. As such, we would like to seek for quotation on your opinion on the followings:

- a) Based on the damage done, will it endanger the safety of driver, the performance of the car and till what extend
- 2 Kind revert back, for any clarification, you may wish to contact me at hp 82186333.
