Brief Details.

On 15th February 2018 at 00.35am, I was driving my vehicle registration number: SHB9950T with four passengers in my vehicle along Somerset Road. Upon reaching the junction of Somerset Road/Grange Road, I was driving and then there was a strong impact from my right side of the vehicle. I realised that there was another vehicle registration number: SLL2832Y (V2) had collided to my vehicle.

After the collision, the driver of V2 told me to that he was at fault and wished to settle amicably however I told the driver (V2) that I wished to update to my company. At that point of time, I felt pain on my body due to the strong impact.

I will inform the accident to my company and went to seek medical attention and was given 3 days MC. I am lodging this report for replacement purpose.
