Dear Sir/Madam,

### **ACCIDENT INVOLVING SCM 3012S(AIG) & SHB 9903E ON 18/02/2018**

We refer to the above matter.

Our insured driver has reiterated that the accident was caused due to the entire negligence of your client who swerved into our insured's lane and collided onto our insured vehicle. Based on accident scene photo and the damage profile, we are of the opinion that our insured version is more credible as the bumper of our vehicle was peeled off.

In view of this, we regret to inform your that we have our principal instruction to deny liability and unable to look into your client claim.

Thank you.

Best Regards,
