CONTINUATION OF REPORT

Brief Details.

On the 10/02/2018 at about 1220hrs I was travelling along Coronation Rd turning right into princess of wales road, I had stopped my vehicle to make a check for any vehicles coming from the opposite direction when one vehicle a motorbike bearing the plate number FBH1749U had went straight right into my vehicle. I wish to state that the motorbike was travelling at a fast speed. The rider who is a McDonald's Delivery Rider had flown over his motorcycle and had landed near to my vehicle due to the impact. My vehicle had sustained damages in which the right front bumper fog light had dislodged and has some scratches to it.

I wish to state I did not have the opportunity to exchange the particulars of the rider as he was conveyed by the ambulance to NUH. There was no government property damaged. I also wish to state that I noticed a vehicle that had an in car camera that recorded the whole incident but was unsure of the vehicle plate number. The traffic police had then engaged the driver of the said vehicle. As for myself I only have photos of the accident itself. I wish to state that my vehicle itself does not have an in car camera.

I am lodging this report as the traffic police had issued me a report no E/20180201/0106 and had prompted me to lodge a traffic accident report immediately. I wish to state that the investigation officer in charge would be IO Wati Contact No: 65476310
