STATEMENT OF WITNESS

I, LCP GAU KIAT TENG JUSTIN, S9726631Z, am writing this statement as there was a vehicular incident involving a 5 TON GS (MID21249) and a civilian truck (X102413Z). I was the vehicle commander for MID21249 and the purpose of the journey was for a route familiarisation on 1001218 and it happened that the left mirror of the 5 TON GS hit the right mirror of the civilian truck and shattered the truck's mirror. Only the mirror was damaged. PTE SEE YI TEIK, S9632894Z had a habit of keeping too much to the left and I had corrected him multiple times throughout the journey. After exiting the SLE into Woodlands Ave 12, the incident occurred at lamppost 53. PTE SEE YI TEIK was on lane 2 and was waiting for an opportunity to change one lane to the left. I had warned him moments before the accident happened, but he could not react appropriately. After which, I immediately told him to stop his vehicle by the side and exchanged details with the other driver. Shortly after, NSM came down to the accident site and inspected it and I was instructed to take over and drive back to CTN. That's all I have to report.
