**Brief Details.**

On 17/02/2018 at about 1550hrs, I was travelling along Lentor Ave towards Yishun Ave 1. I am driving my personal vehicle bearing SFU8864P. I halted my vehicle at the stop line between junction of Lentor Ave and Yishun Ave 1 as the traffic light was red.

About 5 seconds later, another vehicle from the rear bearing SJL7174D collided onto my vehicle. My vehicle inched beyond the stop line due to the collision. I am unsure if there is any CCTV installed at the vicinity of the incident location. I also managed to exchange particulars of the driver to collided onto my vehicle. My vehicle sustained damages on the whole rear bumper area and both rear lights blown out.

There are no government property damaged during the incident.

I have no installed camcorder in my vehicle.

On 20/02/2018 at about 1500hrs, I consulted a doctor from HORIZON MEDICAL PTE LTD and was given 4 days of MC dated from 20/02/2018 until 23/02/2018 by Dr Lim Heng Wei (MC no: M19020). I suffered some muscle ache on my neck and right shoulder area due to the impact.

I am lodging this report to facilitate the matter for insurance purposes.
