Brief Details.

On 25/02/2018 at about 1100hrs, I had parked my vehicle (SLM3355X) in a parallel parking lot along 267 Upper Thomson Road (Outside Peperoni Pizzeria). My vehicle was last seen intact at this time. I had then left for lunch nearby thereafter.

On the same day at about 1240hrs, I returned to the lot and got into my vehicle. As I was about to steer my vehicle, I heard some sounds. I alighted from my vehicle and discovered that there were damages on my vehicle. My vehicle was damaged from above the front right wheel all the way to the front right bumper which consisted of dents, scratches and some green and red paint transfer.

I noticed a closed-circuit television installed outside a shop "Melody Pub" however the footage did not capture the area where my vehicle was parked. I had also made a check with several patrons within the vicinity however all informed that they did not witness anything. I have a front in-car camera however it did not manage to capture the accident.

I believe my vehicle was involved in a hit-and-run accident. I am lodging this report for insurance claim purposes.
