Brief Details.

On 30th November 2017, at about 6:00pm, I was travelling along Woodlands Road driving vehicle GBF8402R.

I was going to do a left turn onto a filter lane to go onto SLE/BKE with my signal on and suddenly, a motorcycle (FBM3487S) came clashing onto the left side of my vehicle.

Upon collision, I stopped the car by the side and put on hazard lights. The motorcyclist (ZURAIMIZWAR BIN GHANI) climbed up by himself and push his motorcycle to one side.

The motorcyclist looks sober to me, and he kept apologise to me. I saw a few abrasion on his hands, neck and legs. He assured me that he is fine with only minor abrasions. I suggested to call for an ambulance but he declined. When I asked about what happened earlier, he admitted that he want to switch lane (from most left lane turning left onto filter lane to go onto SLE/BKE, to going straight) last minute and there was a lorry in front of him which happens to block his view, he also admitted that he saw my vehicle with signal but he said he did not had time to react before crashing onto my vehicle.

I took a piece of paper to write down a brief description of the accident and signed on it. Mr ZURAIMIZWAR BIN GHANI also did the same writing on the same piece of paper and signed. We also put our NIRC and driving license and took photo of the letter. As I am lodging this report from an NPC, I am not able to upload the documents. I can provide it if needed.

Mr ZURAIMIZWAR BIN GHANI agrees that we will go do our reporting, and I informed him that I will be doing a third-party claim, which he agrees to it.
