Dear Mr. Lim,

I refer to your letter (Ref: CC4/AIG18004028/ma3) dated 14 March 2018.

The party involved in the accident was my son, Zhang Wendong Kenrick (NRIC No.: S8524974F). According to him, the accident was caused by a minor bump between the said vehicle (SJV8010J) and my car (SGS9981B). As both had agreed to settle this privately, my son did not lodge a report with AIG Insurance following the accident.

My son has since followed up with the owner of SJV8010J, Mr. Mohamad Asri (NRIC No.: S8304248F) on 17 March 2018 and confirmed on the mutual settlement. The mutual agreement document is signed and attached for your reference.

Let me know if any further clarifications are necessary, thank you.

Best Regards,

Chong Ngien Cheong
