Good afternoon everyone.

I didn't receive any notifications nor any documents from the owner whereby he is going to send his vehicle to other parties to assist in his claim.

Since the owner had approached KSCGP to assist in his claim, may I withdraw the 3rd party claim from our side?

Dear Ernest,

The vehicle is now at Han Car Repairs.

Our client's instructions are for us to take over conduct of the matter and to do a third party claim.

We are instructed the 1st pre-repair and pre-dismantling survey has been carried out by LKK.

Our client's vehicle is now ready for pre-repair survey after post dismantling at Han Car Repairs.

Kindly arrange for LKK to contact our client's repairer for the pre-repair survey after post dismantling and post-repair survey (workshop details enclosed).

We hope the above clarifies.

Good morning sir.

This case is handled by me & LKK had conducted an accident survey on 05/03/18.

I'm still waiting for liability clearance.

Owner hasn't mentioned to me with regards to referring to a lawyer. I had mentioned to him that he can either wait for liability to be cleared before we are authorized to start the repair or to claim under own policy first then we will assist him to recover his excess/loss of use etc.
