Hi Sir/Mdm, We refer to the above matter. TP reported that OI hit his right side mirror while traveling straight. OI reported that TP try to cut into his lane and hit his left side mirror. Insured video uploaded for your easy reference, We are of the opinion that liability is not in third party's favour, video clearly show that insured is traveling straight within its own lane. In view of the above, we are intending to reject TP claim. For your approval/ comments/ instruction. Asher Sng (LKK Auto)
