Brief Details.

On 30/11/2017 at about 1800hrs, my wife parked my blue color Volkswagen Golf bearing registration plate number SKM8290C at parking lot 38A along Guan Chuan Street. There were no damages on the car when it was parked at the parking lot. I wish to state that I live there and we usually park at that parking lot.

On 01/12/2017 at about 1325hrs, I went down to my car where I saw a piece of paper on my front windscreen which was left behind by the person who witnessed the accident. I then made a check on my car and found scratches on the rear of my car.

My wife then called the person who witnessed the accident and he informed her that on 01/12/2017 at about 1250hrs there was a male subject who parked his black color Subaru car bearing registration plate number SJB1405E at parking lot 37A which is behind my car. The front of the car hit into the rear of my car once before the subject parked his car. The car was no longer present when I came down to my car.

There is no in car camera in my car

Damages to my car as follows:

- 1) Deep scratches on the rear left of my car.

I am unsure of the damages of the other car as it was not there when I came down.
