Dear Sir/Madam,

Accident involving Vehicle SHA 3801K & SLE 7243B ON 03/03/2018

We refer to the above matter

Our insured driver has reiterated that the accident was caused due to the entire negligence of your client. Based on your client video footage our insured was within his lane while your client was straddling in between both lanes therefore encroached into our insured's lane.

Furthermore, there is no reason for our insured to change to the last lane at that point of time due to roadwork.

We attached herewith our insured's accident report for your perusal.

Under such circumstances, we have our principal's instruction to deny liability of your client's claim.

Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement.

Thank you

Best Regards,

Vivian Lau | Case Handler
