We refer to the subject matter and to your LOD.

Please be informed that our principal had further reviewed the matter and based on the available information and evidence at hand, our principal is in the view that our Insured is not liable of this accident.

Our Insured Driver had reported that he was making a turn from the main road towards the minor road when your client at the minor road did not stop before the stop line when the collision occurred. Please refer to the attached accident statement from our Insured driver.

As such, we have our principal's instruction that under BOLA 10a, your client should have given way and that we are unable to look into your client's claim unless proven otherwise.

Thank you.
