Thanks for sending this OD quotation. Specialist Motor P L results in high quotations usually.

After looking at the parts-list - a front bumper (scratched) and broken headlight.
The COR surely can't possibly be \$18,156.75.

Please let us the surveyor's fair revised estimate once available.

Dear Jas,

Please do not authorize this repair as yet.

We are aware the estimated COR has been revised by the surveyor, but based on the photos of the damage, a fair COR is roughly \$8000.

Please assist to have this repair revised further to meet a fair amount, otherwise we may decide to Have the vehicle repaired at another workshop.

Looking forward to your positive reply.
