Brief Details.

On 27/02/2018 at about 0845hrs I was riding my bike (fv7238z) along Woodlands Ave 3 with a pillion rider, my daughter (Siti Noordiyana bte azaman of S9940634H) with me. I was travelling towards the Causeway Point and my speed was about 30-40km/h. There were a total of 3 lanes and I was riding in the center lane. The 1st and 3rd lane had many vehicles and were moving in a slower speed. As there was a car stopped before a yellow box at my right lane, I am unable to see if there is any vehicle trying to turn in to Woodlands St 13. Then along the road at the yellow box, suddenly a black vehicle from the opposite direction turned into woodlands St 13. I had no time to stop my bike or avoid the car thus I hit onto it. My bike then flew away throwing off myself and my pillion rider from the bike due to the impact. I landed on the road badly injured but still conscious. I am not sure what had happened to my daughter as I was still in a shock with the painful injuries I sustained. the next thing I could remember was ambulance came to the scene and conveyed me to Khoo Teck Puat hospital where I was admitted for 2 days from 27 to 28th feb 2018. I sustained injuries on both legs and was given mc for 16 days from 27/2/2018 to 14/03/2018. The doctor informed me that I had suffered some abrasions and a fracture of head of fibula with some trauma too. I was then contacted by a witness, Mr. Mutaza (h/p:82685182) whom sent me a video of the footage which was recorded from his in-built camera. The witness informed me to contact him if he need further assistance. I later discovered that my daughter too had sustained injuries but was not admitted to the hospital and instead went own her own accord to see a doctor at KTPH and paid for her own medications. My bike is now with TP as informed by the IO in charge whom visited me on the day of the accident itself. I am not sure of the cost of the damage of my bike.
